

Lohmann and Van Sinderen Prizes for Undergraduate Printing and Design

ELIGIBILITY

Eligible pieces must have been planned and executed in the past academic year by a current Yale undergraduate. They may include publications and ephemera, class assignments, and self-initiated publishing projects. Professional studio work will not be considered, nor will printmaking projects, per se. Entries can be made by both digital and traditional methods, although final renditions cannot be screen-based. Visit lohmann.yale.edu to view past entries.

SUBMISSION INSTRUCTIONS

Please print and submit this form with each piece.

Submit entries to Robert B. Haas Family Arts Library Special Collections, 180 York Street, lower level (open Monday through Friday, 12–4:45 pm). The deadline for submissions is 1:30 pm on Friday, April 28, 2017.

NOTE: All winning entries become part of the Yale Residential Colleges Student Printing Collection (AOB 34) immediately following the awards ceremony. The Arts Library encourages all entrants to donate their submissions to help build the collection.
